You must make a withholding election. If you do not check a box, taxes will be withheld at a rate of 10% on your transfer and conversion.

- Do not withhold federal income tax from my conversion amount. I understand that I will be liable for payment of federal tax on the taxable part of my conversion and that I may incur penalties under the estimated tax payment rules.
- I want federal income tax withheld and understand that the withholding will be done at a rate of 10% unless a different withholding percentage is specified: _____%. I also understand that in addition to paying income taxes on the amount converted, the amount withheld may be subject to an additional 10% early withdrawal penalty. You may change this election by written request prior to the conversion.

NOTE: If you are a nonresident alien, you must check the box below.

- As a nonresident alien, I understand that special withholding rules apply to a conversion of my Traditional IRA to a Roth IRA. State tax withholding may also apply.
