

**ERISA Memorandum
on Form 5500 for 403(b) Plans**

April 2006

Benefit plans subject to the Employee Retirement Income Security Act of 1974 (ERISA) are required to file Annual Return/Reports (Form 5500). This Memorandum provides suggestions for filing the Annual Return/Reports for institutions using TIAA-CREF annuities under their Section 403(b)(1) or 403(b)(7) retirement and tax-deferred annuity (TDA) plans for plan years beginning on January 1, 2005 or later.

Use the instructions in this memorandum if ...

You have a retirement plan or tax-deferred annuity plan, using TIAA-CREF annuities and/or mutual funds, that meets the requirements of Section 403(b)(1) or 403(b)(7) of the Internal Revenue Code.

For other types of plans ...

If your plan is a qualified plan under Section 401(a) or 403(a) of the Internal Revenue Code, or a welfare benefit plan, our suggested responses in this Memorandum will not be appropriate. There are other ERISA memoranda for these plans.

Don't use the instructions in this memorandum if ...

You have a 403(b) plan that is exempt from the reporting and disclosure requirements of Title I of ERISA because:

- Your plan is a governmental plan (that is, a plan “established or maintained for its employees by the ... government of any state or political subdivision thereof, or by any agency or instrumentality of the foregoing”) or an exempt church plan,
- OR
- Your TDA contracts are not considered to be part of a plan maintained by the employer. To qualify for this exemption your plan should meet the criteria described in Department of Labor regulation 2510.3-2(f):
 - participation is completely voluntary;
 - several companies' annuities or custodial accounts are made available;
 - employer involvement is limited to administering salary reduction agreements; the annuity companies are permitted to publicize their products to employees; information about the available products is gathered and summarized; the number of available companies is limited so that employees are given a reasonable choice;
 - all rights under the contracts are enforceable only by the participant, not the employer;
 - the employer is not compensated for performing administrative duties (other than reimbursement of actual expenses).

Don't Forget...

- You have to file separate Forms 5500 for each retirement or TDA plan by the last day of the seventh month following the close of the plan year.
- You should keep copies of the completed Annual Return/Report on file for review by any participant on request.
- You must file the completed Form 5500 with the Department of Labor ("DOL") Employee Benefits Security Administration ("EBSA") as specified in the Form 5500 Instructions, Page 5 under "Where To File." Form 5500 is in two versions: a version that is completed on a computer (and which can be electronically filed or filed by mail or private delivery service); and a version that can be completed by hand or typewriter (which can only be filed by mail or private delivery service). The computer version will require special software that is obtained from a service provider working with the DOL. See the DOL's web page at www.efast.dol.gov for details. The handwritten or typewritten version will require forms obtained directly from the DOL; call 1 800 829-3676 for these forms. These hand- or typewritten forms are machine-readable and photocopies of them will not be accepted.

Specific guidelines for completing the forms begin on page 4 of this memorandum.

The suggested guidelines and information in this Memorandum represent TIAA-CREF's interpretations of Department of Labor regulations and instructions for completion of Annual Return/Report forms. We suggest that you seek the advice of legal counsel regarding the applicability of particular ERISA filing requirements to a specific benefit plan, or items on the Annual Return/Report forms. TIAA-CREF's Relationship Managers will be glad to be of assistance by working with you and your legal counsel.
